

臺北市102學年度國中教師提升教學與評量有效教學成果發表

內湖區 明湖國民中學 英語學習領域

A. English Contest for Fun

*The more we get together,
the smarter we will be!*

6 games include:

- 1. Word Puzzle**(personal +team work):
Each one gets one word puzzle first, and then you can help the others to finish. The more puzzles you work out, the more scores your team get.
- 2. Fantastic Songs**(personal) :
Each one fills the blanks by listening to the 2 songs.
- 3. Excellent Readers**(team work):
The team reorder the sentences of the story correctly.
- 4. Nature Watch**(team work):
The team look at a picture for 3 minutes and memorize as many pictures as possible, and then do the memory test by writing down the answers.
- 5. Clothes Rhymes**(team work):
Write the names of the clothes and find the rhyme with each of the clothes.
- 6. Best Partner Q & A** (2 persons in pair):
(1-1)-name the animals in order;
(1-2)-number the animal you hear in order
(2-1)-Say1- 10 sentences;
(2-2)-write true or false
(3-1)-Ask 11-20 sentences;
(3-2)-write true or false

B. How the Contest Proceeds:

1. Posters in the school campus
2. The training of the game guiders in the 9th grade
3. Each class of the 8th grade struggles for the top 9

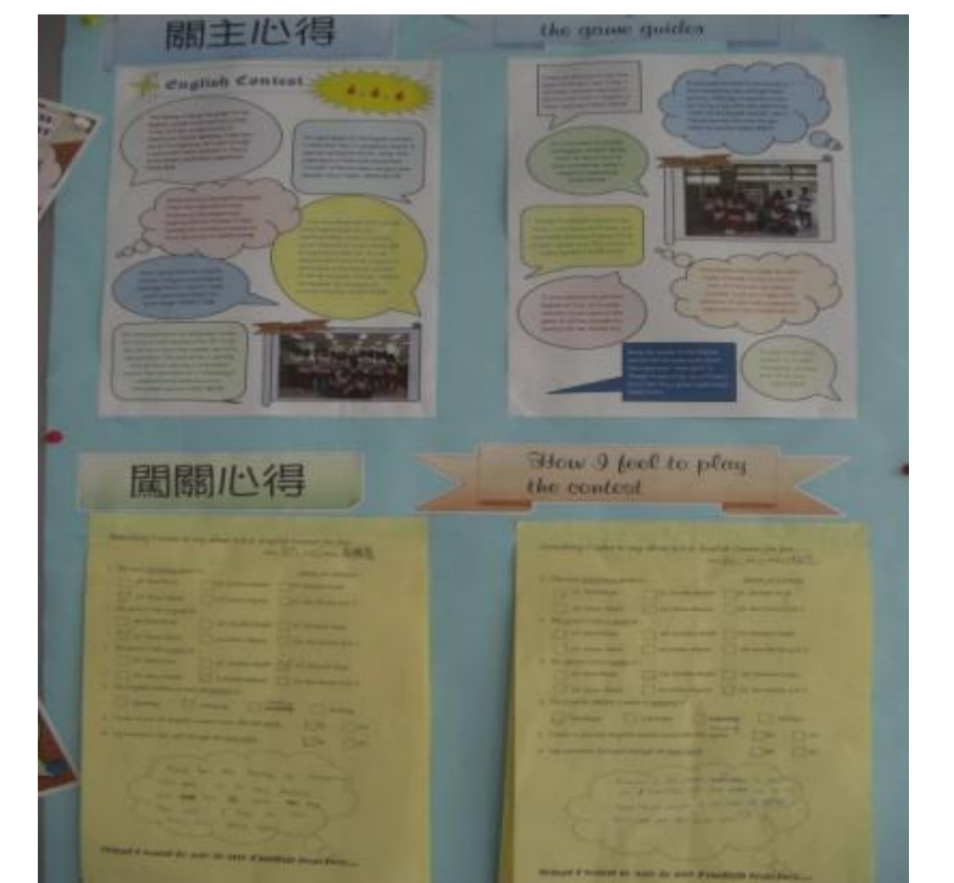

C. Teaching achievement

1. Strengthening spelling ability by understanding the sentences and a short article.
2. Learning writing skills by organizing the short stories. Strengthening listening
3. comprehension by listening to English songs and filling in the blanks to complete the lyrics
4. Learning more words about nature through the combination of pictures and memory. Expressing what you memorize in English correctly. Raising the cooperation among teammates.
5. Learning English rhymes by the combination of clothes and pictures. Understanding the basic knowledge of phonetics.
6. Training the abilities of listening and speaking by Q and A
